SUMMARY

Computer Science graduate with hands-on experience in secure web development, IT support, and cybersecurity. Skilled in Python, JavaScript, and Firebase. Holder of the Google Cybersecurity Certificate with a strong focus on secure coding and vulnerability assessment. Eager to contribute and grow in a tech-driven team.

SKILLS

- **Programming:** Python, JavaScript, SQL, JAVA,C++, C#
- **Web Development:** HTML, CSS, Firebase, WordPress, React.js, RESTful APIs
- **Security Tools:** Firewalls, IDS/IPS, Secure Coding
- **Cloud & DevOps:** Git, GitHub, Docker (basics), Google Cloud Platform (GCP), CI/CD Concepts
- **Other:** Linux, Database Security, Network Troubleshooting
- **Soft Skills:** Problem Solving, Teamwork, Communication, Critical thinking, time management

PROJECTS & EXPERIENCE

Jan 2022 - Present

Self-Employed Web Developer & Cybersecurity Enthusiast

- Developed myunivan.web.app, a secure web application for university students, implementing authentication and database security best practices.
- Diagnosed and resolved hardware, software, and network issues for clients.
- Built and maintained ProProjectAssist.com, a platform assisting students with project development while ensuring secure data transactions.
- Conducted vulnerability assessments on personal and client projects to enhance web security.
- Implemented secure coding practices, reducing potential attack surfaces

EDUCATION

FEB 2021 - NOV 2024

Bachelor of Science in Computer Science

University of Venda

- Software Engineering
 - System Analysis
 - Data Communication & Computer Network
- PROFESSIONAL COMPUTING & INFORMATION TECHN
 - Database Design & Implementation
 - Techniques Of Artificial Intelligence

ADDITIONAL INFORMATION

- **Languages:** English, Venda.
- **Certifications:**
 - Google Google Cybersecurity Professional Certificate
 - Business Analysis & Process Management
 - Build a free website with WordPress
 - Bachelor of Computer Science

Willing to relocate anywhere in South Africa, including Gauteng.
Available to start immediately
